Good Neighbor Policy: The good neighbor policy was originally established in 1933 between the US and other countries to instill peace and friendly relationships. Lake Paradise Resort is a Christian based resort that looks to our Lord Jesus as an example of how to walk with others. We strive to provide a clean, respectful, friendly, and safe environment for all who visit. (***Romans 12:10** Be devoted to one another in love. Honor one another above yourselves.*) We ask all campers to show pride in their camper/camp site by keeping them clean of debris and unnecessary items thrown around outside. Be courteous and mindful of your neighbor, treating them with kindness and respect in how you represent yourself and how you interact with others. (***Matthew 19:19** And the second is like it: 'Love your neighbor as yourself'*) While we understand each of us come from different walks of life, and it is those differences that make us uniquely loved we have a responsibility to glorify God in the process. We feel the best way to do this is by making sure everyone adhering to these resort rules/policies and remember that even though everyone that visits is like family to us, this **is** our home, and it should be respected and cherished. (***Psalms 49:13** For the Lord watches over the way of the righteous, but the way of the wicked leads to destruction.*)
